I have so many memories of Shirley. She and mom worked together for many years and stayed friends forever. Shirley was always good to me and had a joke and a smile. Jenny and I got to know each other from hanging out at John blue abstract company and went to school together. Jenny my heart, love, prayers for you are sent. You are loved by so many of us. Let's use know if you need anything.

Jennie, Larry and Tony,
Sorry to hear about your loss of your mother. When I read the news I tried to remember the last time I saw your mom and it has been years. Smiled while thinking about your mom and the times I was at your house growing up and how she and your dad were always very nice.
