“ Pat was a joy to have in our office. She was Ed's right arm and will be sorely missed as his help mate. We were all shocked and saddened by her loss and will miss her infectious laugh.

“ In mii eyes you were a very strong woman. You were a great sister, wonderful mother & aunt. You took care of everyone in your life & didnt expect anything in return. You were pretty wild & very loved. You were a rock. You always made mii mother smile & was there for her especially when she needed you most. Noone expected you would be called so soon but that early morning it was your time & there was nothing anyone could do Now You are up there loooking down on all of us && i know Your taking care of your son, my uncle, your sisters && your parents. They were all waiting for you with arms wide open && we all know you are in a better place. I wish you could have met mii son eric & hold him in your arms so you could tell mii grandma how soft his skin is & how loving he is. but one day we will all b together again & our family will b whole. you were a wonderful woman & will b greatly missed.

“ Words can not describe how much you will be missed and how much you were loved by me. You were always only a phone call away if I needed some advice on something or if you were just helping me keep on track. Even though I was not always around, you were always there especially over the last year. I appreciate everything you have done for me in my life and for your love and support. We lost you much too soon... you were truly a blessing.

Love always, Jay Jay

“ I am sorry for the loss of a wonderful woman that left an amazing impression on me the first day I had met her. Love and miss you Aunt Pat.

"Our hearts are filled with memories, The sound of laughter rings, You've moved on to your final rest, a place where angels sing, a land where flowers never fade, where little children play, they say true love will never die-we'll meet again someday.

We little knew that morning, God was going to call your name, in life we loved you dearly, and in death we do the same. It broke our hearts to lose you, the day God called you home.

You left us beautiful memories, your love is still our guide, and though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, but as God calls us one by one, the chain will link again."

“ *My Dearest Sister,
Know that one of the Angels has come home.
There will be no more pain for you anymore.
Find happiness in Heaven watching over your
family. You were the most LOVING and
CARING Wife, Mom, Grandma, and My Sister. You were the
greatest sister I could have. I will cherish all the times we had
together. You were taking away so soon for us, but you will
ALWAYS be in my heart!
Love you always,
Bobbie*

“ *Pat, you raised a family when most of us were still living out our
adolescents. You raised Four Beautiful Children and many
wonderful grandchildren. Making my mom a great grandmother at
55 has got to be close to a record. You have been a great mother
and endured though some very rough waters. I have seen up close
the pain of your departure has caused your family. You will be
missed but not forgotten.*
