“ We will miss our brother Danny, and are confident now we will see him again with his decision to accept Christ in January. While our hearts are heavy and saddened our sole rejoices in knowing he has no more pain no more suffering and is forever to be with the Lord. In the last 6 months or so we've been with Danny more than we ever have been. I'm thankful for the time we had to spend together. Some of it was fantastic some was good and some was a brotherly rivalry. He always let me know how much he loved me and appreciated me being his brother. I told him the same. We want to thank Debbie for her dedication to making sure Danny had what he needed and wanted on a daily basis. I don't know that we nor Danny could have gone through this without her unselfish love and willingness to help him in all his needs. Thank you and God bless you Debbie. Through his sickness and time at Aperion nursing care we met some fantastic staff. Bless you and God be with you.  
Thank you
