“ There were good times that I will always remember. The cuddles as a kid, trips to the pizza place for lunch, and me watching out for you at the mall. That was when we had time just for the two of us. I do have good memories and those are the ones I will hold onto. You protected me from a few bad incidents. I remember helping you at those moments when it seemed harsh and you were in a bad time. I tried my best and will pray for your rest.

“ Lots of memories high school she would trade her moms date bread for my moms egg salad sandwich.
Christmas shopping buying a box of chocolate covered cherries and eating it all.
Pup teasing Doramae about the giant woodpecker she saw and he finally made one to hang in their tree.
Going to see the Sandhill Cranes.
Doramae playing the hymns she loved. Giving our youngest daughter piano lessons.
So generous giving us white wicker table and chairs for our front porch.
Bunco club. Many more.
Doramae was a blessing to our family. We thank God she is now at peace with her Lord and Savior Jesus Christ. Our sympathy to Jim and family
