

Hallie Marie Chicki

January 15, 1979 - July 31, 2020

Hallie Marie Chicki, age 41, of DeMotte, passed away on Friday, July 31, 2020, at the Porter County Hospital. She was born January 15, 1979, in Crown Point, IN, the daughter of Philip R. and Carol S. (Schuck) Apple.

Hallie graduated from KV High School, class of 1997, and received both her Bachelor's and Master's Degrees from Ball State. She had been a teacher at the Lowell HS, KVHS, Gary Schools and was currently teaching at the Westville Corrections Facility. Hallie had a genuine care for education and the students she taught. Hallie also enjoyed speech, drama, community theater, and teaching English classes. She attended Grace Fellowship in DeMotte, IN.

Most of all, Hallie loved the art of words. She was inspired by the famous Dr. Seuss, who she had even named her family dog after, and her favorite musical band, Pearl Jam. One of Hallie's favorite songs she loved to sing was called Release, and she would cling onto these lyrics:

"I'll ride the wave, where it takes me / I hold the pain / Release me"

Hallie is survived by her children Noah and Simon Chicki, whom she loved dearly; her parents, Phil and Carol Apple; sister Mandy Ratliff; grandmother Laverne Schuck; and the father of her children, Jeff Chicki.

Hallie is preceded in death by her paternal grandparents, Gerald and Jean Apple, and maternal grandfather, Charles Schuck.

Friends may visit with the family on Friday, August 7, 2020 at the Grace Fellowship Church from 12:00 noon to 2:00 PM. Mask and social distancing are required. A private funeral will be held for Hallie. A private burial at the DeMotte Cemetery will follow.

Memorial contributions may be made to the family. Funds will go into a trust for Hallie's

children's education.

“ Dear Hal,

Thank you for sharing your life with me. We had countless beautiful, happy, laughing times. Trick or treating in high school, painting The Wall at your house, chocolate chip cookies (thank you Carol!), visiting our principal Phil, funny voices, visiting your Grandma, dressing alike at school, rocking out to Pearl Jam or Smashing Pumpkins. When I think of my high school years, I think of you immediately. I was raised during that time at your house!

Bright, beautiful, brilliant, you were my best friend. I'll never forget your laugh. While I think the world would have been a better place with you down here for a bit longer, I'll wait assured until the day I see you later on. I never got to know your boys, but if they're part you, they like hunting, and they have a touch of silly too. They'll carry you in their hearts always, and I will too.

You used to love theater, and always music, so I'll close my letter to you with the last stanza of music from Hamilton.

Oh, I can't wait to see you again

It's only a matter of time

Will they tell your story?

Who lives, who dies, who tells your story?

Will they tell your story?

Who lives, who dies who tells your story?

I'll always tell your story Hal, until the end of my time. You are part of who I am. Thank you for being awesome, for sharing you. See you soon. I love you.

~Ang.

“ I worked with Hallie at Westville Correctional Facility. In the too short of time I got to know her, I came to understand just how much she loved and cared for her sons and her family. She cared deeply about the success of her students. She will be missed.

“ Phil, Carol, and Mandy - I don't even know what to say. My heart hurts for your entire family and I just can't stop thinking about this since I heard. My memories of being at your house so often with Mandy and just spending time with your family, knowing this family is forever altered...you are all in my prayers. Hallie was certainly true to herself and was somehow sweet and a spitfire at the same time. May you feel God's presence strongly during this time as He holds you in the palm of his hand. - Sarah Lynn (Flory) Granberg

“ This is so hard to comprehend. Hallie was the first friend I met when my family moved to Indiana and one of my closest friends 5th-8th grade. We spent a fun summer together after senior year in high school, before our lives took separate paths, but I treasure all those childhood memories. Phil, Carol, Mandy, and to the rest of her family... sending many thoughts, prayers, love, and hoping you find comfort in your memories of Hallie and knowledge that she is in the loving arms of our Savior. “ Phil and Carol,
Our thoughts and prayers are with you and the family. Though its been 20+ years since I was at KV - I remember Hallie as an energetic young lady who would say what she was thinking, even if it embarrassed her dad. We personally know the loss you are feeling at this time, but we know that our Lord is with you and the family throughout this time and beyond.

“ We are so sorry to hear of your loss. Phil, Carol, and family, we will be praying for you all.

I remember Hallie as observant and insightful. In October 1988 Hallie was in my Sunday School class. She went home and announced that I was in labor and would have the baby that day. Silly me to think I could keep it hidden :). That baby came by 6 PM that day.
