“ *i MOVED HERE IN 1987. mR. gRUBE WAS A REALLY BIG DEAL. His equipment and crews were everywhere. I met him while working with and for Herb Ruissard. Mr. Grube was the first person in DeMotte to befriend me when I began handyman work on my own. I saw Jesus in him, and I'm blessed to have known him. RIP, Derald Ailes*

“ *Always enjoyed working on a project with Grube Construction. When things didn't go as planned. When engineers and owners would be demanding and critical, Al Grube remained steady and consistent. He wouldn't let the situation rattle him.*

*Thank-you my friend for all the wisdom you have handed down to me. I pray that I can pay it forward.*

*God Bless!*

“ *I will never forget this shy smiling guy comes up to me in Tysen's and says hey do you have any cash. I say Al do you need money, we laughed so hard and held that joke for some time. Al was so embarrassed he forgot his wallet. Gave him some money and we were on our way. You will be missed*
