“ *I am saddened to hear of the passing of Amanda. Although I hadn't seen her in many many years we used to be good friends when we were very young. I will always remember the fun we had running the neighborhood when she would visit her Grandparents, and camping in her back yard. My family sends condolences and prayers to all of you in this time of need. ♡ Kristen (Putt) Young*

We are so very saddened at the news of your loss. I have a vivid memory of her as a toddler playing on our porch one day. I think we kept her for Becky for some reason that day. I just remember how cute she was!

We know words are only whispers on the wind, but your heartache is ours as well. We pray that she, and all of her family, will come to know peace eternal. God Bless.
