“ *Can't really think having heard this news..Annie was a part of the greatest group of friends imaginable...She was always the level-headed smartass who was literally capable of telling you that your lips don't match...Damn...Jason, man, this news absolutely blew me away...I'm so unbelievably sorry about this...this one really really sucks...*

*Annie, you better be baking cakes w/a Rotten.com-style annihilation of gummy bears...guess I'm still hoping that i misread something, or listened to some bull\*\*\*\* gossip...*

*She was a great person (can't believe i just said, "was" a great person) and, BY FAR the smartest and most mature pick of the lot. Jason and kiddos...sorry for rambling...beyond sorry for the loss.*

“ I can not express how deeply saddened I am by Andrea's passing. I will sincerely miss seeing her at her work. I will miss hearing her say "Hey lady!" I will miss her quick wit and her sarcastic but honest opinions. Andrea always had a way with making her customers feel special. A listening ear, compassion for the less fortunate with little tolerance for ignorance. To Jason and Natalie, your loss is tremendous. Her devotion to you two was second to none. Indeed, Andrea will be missed. Again, I am so very sorry.
