“ Anita and my Aunt Shelby were born in the same town and went to the same school together growing up. The reunited together up in the small town of Roselawn, Indiana. What a small world it truly is! Anita was such a sweet lady and she will be missed dearly. Her smile and laugh will never be forgotten. RIP Anita. Keeping all the family in my thoughts & prayers.

“ *My thoughts & Prayers go out to the family. Anita was my Daddy's (Denson) sister. They came to Alabama once & we all were in Mamaw's (Ollie Lynn) kitchen table. She got up, went to the screen door, turned around so her butt was against the screen & promptly FARTED !!
Guess who we get our sense of humor? ;-)'*

“ So many good times shared with Anita. This truly broke my heart. That woman was truly something. The best story she told me was the time she took in Insook the old Korean lady whose home was nearing being condemned. She had me in stitches the whole time. She had a way with words lol I could listen to her talk all day with that southern drawl of hers. I am so very sorry to her family for this loss. Rest in peace Anita. 💜💜💜
