“ I remember when i was 19 and depressed over a breakup with my fiancee she comforted me like a big sister which i never had. we talked for a long time and after i felt so much better. i will always remember that. also i enjoyed talking to her on the phone from california to her in indiana. she was a lovely and good person and even though she was far away from me i felt we had a beautiful cousin to cousin bond and i loved her very much and will miss her.
