

Auggie Van Wienen

May 15, 2025

Auggie, a beloved Boston Terrier and cherished member of his family, passed away at the wise and wonderful age of 14. He would've celebrated his 15th birthday on June 28th.

From the moment he entered Pam and James' lives, Auggie brought endless joy, companionship, and unconditional love. With his trademark Boston Terrier spunk, expressive eyes, and ever-wiggling tail, he made every day brighter just by being near.

Auggie was a loyal shadow to James, a comforting presence, and a source of laughter through both ordinary days and life's biggest moments. Though small in size, Auggie's personality filled the house, and his absence is deeply felt. His memory lives on in the countless moments of joy he gave, and in the love he leaves behind.

He is remembered with full hearts by his devoted parents, who will always carry his pawprint on their souls. Especially James, as they were best buddies through and through.

Auggie is in his resting place at Memory Gardens of Rensselaer. Jackson Funeral Chapel of Rensselaer was entrusted with his arrangements.

“ Our four legged children come into our lives asking so little and give us so much in return. They leave paw prints on our hearts and souls that last forever. Auggie will be waiting at the Rainbow Bridge. Peace to you.
