“ So sad for this news of my Aunt Bea. She was the first Aunt that I had around me as a child more than others. She was not that much older than I, and I fondly remember the early years with her as a teenager, and a newlywed in Gifford. She and her first husband, Uncle Junior Waddle took me into their home as a wayward teenager at one time. These are times that I will never forget, she will be greatly missed by me and many others, RIP AUnt Bea.:(
