“ I was very sad to hear of Aunt Bernice's passing. I will always remember her in her heels and hats she was always dressed to the nines. She so loved life and this is how I choose to remember her. My Love to you Darrel, Donnie and Brenda

“ For my cousins, Darrell, Donnie, and Brenda...Please accept my families deepest sympathy for the loss of your Mother, my Aunt. While we never spent a lot of time together as adults, I will always remember the times we enjoyed as children. I also remember fondly the times we visited you and your family at your home on highway #41, many, many years ago. I guess if I had to mention one memory that stands out above others, it would be your dad giving me a "Dutch Rub"...every time he saw me!!...:) Your mom always told him to stop it, and for that I was always grateful.. I wish we could be there to share in your grief, however, we are out of the country for the winter. Your mother will be in our prayers as we remember her life, and the times we spent together, especially at our family reunions in years past. I can still hear her contagious laughter...

*With love and devotion,

“ What a joy to have known Cookie. She was so full of life and always laughing. I always enjoyed seeing what hat and outfit she would be wearing next. She was definitely loved by many
