“ Dear friends, We were so sorry to hear of the loss of your Mother! We always loved your Mom--she was a great lady! We didn't hear of her passing until the mail came and John told us yesterday afternoon. We had already made plans with Village Woods to move Jerry's Mom to the 3rd floor. Otherwise we would have liked to be with you in person. One thing that makes of us think of your Mom regularly is that I use her recipe for "healthy bread" from one of the church's cook books. We always refer to it as "Mrs. Bult's bread! I can't tell you how many loaves I've make over the years!

We know that your Mom loved the Lord and she served Him well. Our prayers are with you that you may be comforted by Jesus and His Word.

With love and prayers,  
Jerry & Ruth Dekker

Thank you for your kind words. I never knew about the bread recipe. We know she is at peace now where she wants to be, with the Lord, Dad and Ken.

Sincerely,  
Lora, Jon and the Bult Crew

“ *Dear Bult Faaily,  
I truly am sorry for you loss. I don't think there is anything that can prepare us for the loss of someone we love, however we can find comfort in God's word . God promise to resurrect those who are asleep in death in the future. He has the power to do so and he also has the desire too.  
A comforting thought that I found in the bible says, Soon God will wipe out every tear from our eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away...Revelation 21:4 I hope it will give the family comfort too.  
My deepest sympathy*

“ *Dear Kay and Family, I am so sorry about your Mother's illness and the pain she has gone through the past few years; I know it has weighed heavy on your heart. But, I find comfort in knowing and believing what God promises us in His Word, the 1611 AV King James Holy Bible I know we will see your Mother again one day, because she loved The Lord Jesus Christ and is a born again Christian, and she is with Jesus now and has no more pain. May God comfort you with His Word, and the good memories that you made with your Mother and family over the years so that the light of that moment when brought to mind will bring a smile to your face and joy to your heart. You are in my thoughts and prayers. With Love, Your Sister in Christ Jesus, Your KVWC Sister, and Your Friend,

*Dear Bult Family,*

*I had your mom as a Sunday School teacher at First Reformed Church in Lansing, IL. She was always so happy to see us come to class. I believe I was in 2nd or 3rd grade when I had her as my teacher. I just remember that I was always so happy to go because she was kind and loving to all of us. That, I'm sure, wasn't always such an easy thing to do. God give you His strength and peace during you time of grieving.
