“ Betty was one of the first to welcome me as a new Director, at Jasper County Community Services, almost 23 years ago. She shared her life's stories, jokes, and her friendship. She continued as a volunteer, and participant at the Rensselaer Senior Center Senior Center each week, rarely missing a day. She loved playing cards, the socialization with her many friends and being a part of the Senior Center. Her sewing talent kept our centers supplied with potholders and hot pads!! She gifted pot holders to each of our staff each Christmas. My fondest memory is Betty making my husband a potholder with a motorcycle on it. I burned it, and Larry told Betty, and of course it was replaced with instructions...I was not to use it! She has left a forever memory in the hearts of so many. I am thankful to have that place within my heart. Betty will be missed and fondly remembered.
