“ I am so sorry to see that Betty has passed. I remember many happy times with her, usually at some kind of Legion function. She was always futzing with the food or helping with the bingo cards or making sure something was placed out that may have been forgotten - she was like a little whirlwind. I most remember her standing next to Mrs. Stowers in their matching legion hats marching up to the head table at the beginning of the Auxiliary meetings. Each of them carrying either the American Flag or Legion Flag, then saying the Pledge of Allegiance with her hand over her heart - not sure why that particular memory came to me when I saw she had passed. Probably because she was the one who showed me how to properly hold the flag pole so I could carry the flag for girl scouts. I also remember one year walking in the Memorial Day placing of the wreath procession in my Girl Scout uniform. I was walking down the hill in the middle of the Wheatfield Cemetery and wondered if I was doing it right. Betty came up to me afterward and said I had done a fine job. She made me feel very proud I had done it correctly. She was always so sweet and happy. She will be missed.

My sympathies,  
Tina (Hendrix) Morris

“ *Boy, the times I remember - the games we used to play as kids.... the water pump outside, the big closet that became a fort, the basement, fried mushrooms, turtle soup, flashlight tag, the Avon "old style" telephone..... I have the stupidest, most heart warming memories of my days at Aunt Betty's and Uncle Ray's. How many card games do you think were played back in the day? I know she will be greatly missed. Our love and condolences to everyone. Hate being so far away during times like this. God bless, KG and family*
