“ Jim, Patty and Family,
So sorry to hear of your loss. I was just thinking of her the other day when my beautiful iris plants started blooming. Betty gave me these many many years ago when we were neighbors. May your flower garden be just as beautiful in Heaven.

“ Thank you Cousin Betty , you were always so good to me. I have special memories of you and Brice. The Summers I spent in Indiana as a child .The adventures you took me on , the drives in the country , the corner store for bags of candy! Not to mention the Pajama's you made for me from newspaper pattens you 'designed'.. You had a great way of teasing me and making everything better. You were a lttle treasure and mold that can never be repeated. Rest in peace and God hold you close . Love you , Sue###imported-begin##Sue (Sowder) Schmitt###imported-end##
