“ Dave and family, you have our most sincere sympathy. We are so very sad about Sue. Even though we've been mainly long-distance friends for the past 40 years we will never forget the time spent with you and Sue at Fort Benning. You both have a special place in our hearts and always will. God Bless and comfort you all at this time.

“ So sorry for the loss of Susie...I can remember as a young girl, how pretty and sweet Susie was...with all her younger siblings she always took time to talk with "us" younger ones. Her smile would melt your heart...Her love of gardening is interesting because both Grandpa and Grandma Hattabaugh loved their gardens and flowers. Grandma could get anything to grow...
I know her memories will live on in all of our hearts...
forever.##imported-begin##Joanie Vajda-Geron##imported-end##
