“ I am Jesse Allen Lansdown Mactavish, this man was my Grampa. I have a son of my own now and I have need to talk to my biological father or someone who knows who my Father's biological parents were as Robert informed me last time I visited that my biological father, Bobby Lansdown? Bob? I'm not sure of his preferred name..Was adopted. If anyone has any information they can share or wishes to contact for any reason regarding my Grandparents, who were good friends with my adoptive parents (Rose, my Gramma, with my adoptive mother Cora Mactavish, who passed in January 2018,) my contact information is 269-406-0513 or 909-897-9237 and even discord: brightlord1488. Though my choices lead me never to come back, this man was a truly good man and the reason I am a US Army Veteran as well, I would also be interested in contacting my uncle, Bill. I am ashamed to say I carry the name of my Grandfather..and know nothing of him personally.

“ Bobby was a customer of mine at Walgreens and a fellow parishioner at St. Augustine Church. I will miss his smile and easy-going ways. May God rest his soul and comfort his family.

“ When I was a little girl, I used to screen all of his phone calls to make sure girls werent calling him. He was mine. When he started dating Rose, I was so jealous because I knew this was special for him. She called, I answered and never told him she called. He never got angry with me, just said, "did you just forget to tell me Rose called." When I admitted it, he said please try to remember next time. He was my guy.
