“ While searching for another obituary I saw you lost your son Brody and I wanted to send my condolences. The death of a child has been described as the ultimate loss, and I imagine there is no pain more far-reaching and deeper than losing a child. Our heart and prayers go out to you and the family at this most difficult time You may find that for a time your emotions will be somewhat unpredictable tears may flow without much advance warning be patient with yourself. The Bible assures us: “God is near to those that are broken at heart; and those who are crushed in spirit he saves.” (Psalm 34:18)
With sincere sympathy may these understanding thoughts help somehow to convey the sympathy that hearts can feel but words can never say
