“ I have many fond memories of playing baseball and volleyball with uncle Bub at family gatherings when I was a kid. He always loved to play, when most of the other adults would just watch... or sit around talking. He had a gentle and caring way about him, but at the same time, he had a quiet confidence.

RIP uncle Bub and may God watch over guide, guard and protect all those people who you loved and who loved you.

My sincere condolences go out to the family, especially Aunt Liz, Bobby and Butch. We love and care about you all 💕.

Your all in my prayers as today marks one year my father left this earth. Keep his memory alive in whatever way you can. We were blessed to have them as long as we did. Love to you all and know that I am praying for you to have strength during this time.
