“ *My heart is broke and I am in disbelief of Carol's passing. She was my hygienist for as long as I can remember. She was so gentle at her profession and one of the most kind people I have ever met. She loved her family very much and always asked about my family and my sisters when I was in her chair. I will miss her so much. My deepest sympathy to her husband and her children, & grandchildren.*

“ *Carol was the reason I went to the dentist regularly. Her kind heart was always apparent as she talked with me as she did her work on my teeth. I know I was just a patient, but I truly am saddened by her passing, and grieve with you. I am praying for the whole family whom she often spoke of with love and joy.*

“ I am devastated to hear the news of Carol's passing! We went to high school and graduated together in 1984. Carol was the most gentle and kindest person you could ever meet. *Dearest Kevin
Odd how time passes. Carol always reminded me of a sweet angel. I remember seeing you both share a love that many seldom find. I know of two people that will always be there for you as they are your true friends, my heart goes out for them also. I have lost touch so no longer have numbers to reach out, however my brother know that you are kept in prayer.
