“ Carol Sue was one of the sweetest ladies I have ever known growing up in Wheatfield. She always had a smile on her face , always positive and loved people! Some of my fondest memories of her were when she would cut my hair when I was a little girl and my mom and grandma would get their hair done at her beauty shop in her home in Wheatfield! I also sold Sarah Coventry jewelry in high school on her team with Donna Helms! She taught me how to be an entrepreneurial and little did she know she was my inspiration to me as a young teenager to pursue a future in net work marketing and for that I will be forever grateful❤️

I was truly blessed to know her and she was a family friend and went to high school with aunt and uncles at Wheatfield high school!

My heart goes out to her family and to my dear friend Candy Hale Barnhart her daughter and Rusty her son!

You are all in my thoughts and prayers❤️🙏 your mom will be missed greatly by everyone that knew her😭

“ Rusty, Crystal, Bobby, sending my sympathy and prayers to you. Carol was an amazing woman. I can still remember fifty years ago, going to her house, and getting my permanents, and not missing any of her Sarah Coventry parties. She was dedicated to her work and worked hard to make a career out of it. She was a very sweet lady and she will be missed. My prayers to you all.

“ I am so Sorry to hear this. Carol Sue was a very loving and thoughtful person. I am wearing an elephant ring on my picky finger today because she gave me 20 years ago. Just because she thought I would like it, and I do. I have many Lady Remington and lia sophia memories that we shared. My prayers go to her family.
