*Carol will be missed I thank God I had the pleasure of working with her at Cedar Creek. There was a time she wouldn't talk to anyone but I was able to get her to say my name but you had to be very patient with her God has gained another Angel. You are now with your husband. “ *My thoughts and prayers are with your family as your mother, grandmother, and great grandmother has passed away. Carol was a very special person with a smile and a friendly hello whenever we would meet. Whenever Jan would visit, I was always invited to join them for dinner. I know the past years have been difficult for your family, however what a blessing to know that she is now at peace.*
