“ Grandma was my first best friend, anything you ever needed she was there from running homework assignments I forgot at home to school, taking me to ride with grandpa at the drop of a dime, to making sure my scrubs were always ironed for work. Her and I could always find a reason to go shopping and make sure to spend plenty of time in the sale and material aisles. Also, no matter what we were doing we could always find ourselves getting into some mischief of some sort, my favorite being bicycle shopping... (picture attached) She will seriously be missed, but I will always know she will be there as my guardian angel. I love you Grandma and already miss you like crazy!!!

“ *There was not a person who didn't like Carolyn nor was there a person Carolyn didn't like.
I have many fond memories of her throughout my childhood and she always had a smile. She was a spunky little thing and her family always came first.
My mother, Beverly Clark, and I send our deepest sympathy to Bill and the rest of her family.
Sincerely,
