“ I worked with Chuck at Bank of Indiana/Bank One for many years. He was a good loan officer and friend to many. May his family find comfort in the many people whose life Chuck touched as he walks with the angels.

“ I remember meeting you and Dean when I helped you find a home. I was your realtor but became you friend. A lot of great memories. You were fun, never a dull moment. Did you ever do anything with the fireplace? So sorry for the loss Dean and your family must be feeling. Hugs to you all.

“ Chuck,
We have so many fond memories with you. From the moment we bought our house you welcomed us to the neighborhood with good food and kindness. Remember the time you brought the escapee Lincoln back home after he escaped out the front window? Or the time we had an impromptu Easter party in your driveway. We were always well fed, you knew how to cook and I didn't mind:) Lizzy loved sitting on your lap. She told me she was the most yours 😊 And Lincoln's sweetheart prayed for you tonight that you would have fun in heaven. Will never missed a beat to check your pockets for candy. You loved us so much and we loved you right back!
