Especially to the families of Jason and Jeremy (because we knew you best)...We are sad to hear about your dad and grandpa. I'm sure you will miss him very much. We are sorry that we are not going to be able to pay our respect to your families by attending the funeral, but we no longer live in DeMotte. Lloyd and Audrey Nordstrom

I am Emily. My dad is Jason and his dad was the best papa that I could ever have. Me and my sister Skyler would go to his house every Friday. And sometimes we would go on Saturday. We would spend the night, and very time he took us to Pizza Hut and then we would get Dairy Queen. The next day we would go to Walmart with him and he would let us get whatever we wanted. There was no time when we spent less than \$100. That was just on us. Then he would only spend \$15 on himself. He would bring us blueberries and strawberries every time he came over for dinner. I am so grateful to have had him in my life. I would have been so much different without him. He has left us his house and most of his money. I miss him so much and I would trade anything for him. Shortly after he died my aunt died in November. Her name was Audrey Sabo. When she died my cousins came and lived with us. Then my grandma died of a heart attack in February of the next year. We all now live in my papas house and are so grateful for him. I know that my papa was in a lot of pain before he died. He was in the hospital many times. He even died for two minutes and came back to life for a whole month. He was with me since I was born and he died exactly one month before my birthday. Even around the same time. I'm so grateful for the almost 10 years I had to share with him. I love him.
