“ What can be said about this incredible man? What words are sufficient to describe how he has blessed our lives with his presence? His laugh, his smile only showed how much he cared and loved us all. God has surely chosen all of us to have shared Mick over the years. There could be no truer friend than our dear Mick. Janice, Kelly and family, our hearts are heavy in the loss of this incredible man loved so much. So many memories of good times shared. Those memories will live in our hearts forever just as Mick will. We will keep you in our prayers for comfort in peace now and in the days ahead. We love all of you so much! How blessed we are to have you in our lives. May we be a blessing to you.

“ *I'll never forget coming to work at Heritage Office Products in high school. One day I left for school and it was kind of warm so I wore flip flops. By the time school was out there was snow on the ground. Mick, Janice, and Kelly called me Flip Flop from then on. Even made me towels with the words Flip Flop embroidered on them for my high school graduation. Thank you! And I'm so blessed to have gotten to spend so much time with you all back in the day! Love you!*
