*Friends and Family...The world lost an amazing man yesterday...Mr. Charles Schultz...he has been a father, husband, grandpa, great grandpa, uncle...even a pillar to the community helping people for decades...this list can go on. He was and will always be my dad and my mentor! I am what I am today because of him and he has always been there for myself and so many...I have so many memories at home, vacation / Wisconsin, work (we would butt heads a lot), fishing (lots when I was a kid)...*

*The mind on that man was amazing...absolutely the smartest man I have ever known!!*

*He is in a better place tonight...he will be watching over us until we meet him in heaven! I am so happy you finally found peace and you will always be with us.*

*I love you dad!!*

*You will be missed but never forgotten!!* ❤️❤️❤️❤️
