“ Deepest sympathy, prayers and love. Chuck was always very close to us. He was there to support my dad and mom during surgeries and happy celebrations for birthdays and anniversaries. He would come to visit my mom at Knox too. I do recall growing up and Chuck was the big cut cousin who would carry on me his back, and could really ice skate(probably showing off) When he went to the service I would write him letters, He most likely laughed at his little cousin who asked dumb questions but ever so proud of her cousin Chuck. He will be missed.
