“ So very sorry to hear of Chet's passing.  
I first met Chet along with two other great guys from Summerfield GMC at a Dale Carnegie course in Illinois about 1966. Chet was wonderfully hilarious as we all practiced at public speaking. I liked Chet and feel privileged to have known him. He will be fondly remembered.##imported-begin##Claus (Roger) Ackermann##imported-end##

“ Dear Jeanette,

*Wanted to extend my condolences to you on the passing of your Dad.*

*Don't know if you remember me, we were in grade school together and Fair Oaks. Not too long ago I was looking at an old Smoke Signals and came across a grade school picture with both of us in it. Often wondered what had become of you.*

*I have lost both of my parents but still make it back to Rensselaer every couple months to check on the little farm I inherited when my folks passed. Hope the years have been kind to you and that you have fond memories of you days at Fair Oaks. The school is now gone and the town has changed much since we were there.*

*Wish our contact would have been under better conditions, but wanted to let you know you're being thought of. May you have many good memories to get you through this difficult time.*

*With Respect,*

*Cheryl###imported-begin###Cheryl Schultz Oreskovich###imported-end##*
