“ *Mom,*

Thank you for being a wonderful person and Mother. I can not tell you how much I am going to miss you!!! I am so very very grateful that I have got to spend time with you over the years. Everytime I look at Tyler I think of all the wonderful times you have spent with him, you always called him your budds. I love you and will hold close the wonderful memories we had together.

P.S. How long did it take Dad to ask you what was for supper.

Love your son

“ Sister,
I will always remember your good humor and your laugh, you always knew how to raise someone's spirits. You were always there when needed even if it was just a shoulder to cry on. We will all miss you deeply, but we do know you are in a better place, heaven has gained another angel. Sleep peacefully aunt sister. We love you lots and you will always be in our hearts and our memories. You will never be forgotten.
We love you.

“A mother is the truest friend we have, when trials heavy and sudden, fall upon us; when adversity takes the place of prosperity; when friends who rejoice with us in our sunshine desert us; when trouble thickens around us, still will she cling to us, and endeavor by her kind precepts and counsels to dissipate the clouds of darkness, and cause peace to return to our hearts.” – Washington Irving.
