“ I worked with Clarence for many years, and we did a whole lot of bass fishing together. He was a lot of fun to work with and to fish with, and was a great guy just to talk to on our way to the many different lakes we traveled to.

“ *My Dearest Cousin Clarence: I have been thinking of years gone by. Growing up in the '50s, '60. They were the best. Always out at the farm for reunions, birthdays, graduations or family get togethers. We had those times over at Grandpa and Grandma Krapf at Grant Park. Wish we could go back to those wonderful times. They were the best. We were the lucky ones, to have such a close family life. All those holidays, birthdays, anniversaries. Oh Gosh. By late '60s, we had graduated and you found the love of your life. What a celebration. Life went on and we still had that close family tie. I could write a book but I will close. With a broken heart loosing my dearest cousin. Rest In Peace. To David & Julie and Barbara and your families. Sending my love, sympathies and prayers to all of you.*
