“ I was 14 years old when I met Mr. Clem through my grandfather Don Frunk which has been 24 years ago now. I remember clear as day what Clem said, little did I know his humour and wit.... He shook my hand and said "I'd rather shake your hand than pick up a \$50 bill." Typical Clem wit/humour at all times.... I don't know what more can be said about Clem that those who knew him already know, you could use every positive adjective to apply to him, but I'll just say he'll be missed by many as he was truly one of the best of a person could strive to be in life.

I'm shocked to hear of Clem's passing. I just talked to Clem a couple of weeks ago. We were cutting up about bird dogs and memories of past. He was a wonderful friend. I was introduced through a friend [Bill J.] of mine to Clem. I was an aspiring bird hunter and needed a good dog. Clem was the man to talk to. My first couple of dogs came from Clem's breeding program. That was forty some years ago. I had the pleasure of hunting a couple of times with Clem and enjoying a round of golf or two also. He was always a pleasure to be around. Over the years, I would call Clem for advice on dogs and he always was a big help. Clem had a profound impact on my life, my dogs and my hunting days. To his family, I am very very sorry for your loss. They say that when you pass on to your next life, all your family and dogs will be there to greet you, If that be the case, then Clem will be surrounded by his family and a lot of great trial dogs that he developed and enjoyed.

RIP Buddy! See you on the other side!
