“ *I remember my brother and I going over to the Meyer house when we were young children so they could watch us while our mom went to work. We ended up getting snowed in for the weekend because we got hit by a huge blizzard and i was very upset because I wanted to go home. Clinton helped calm me down, after I helped his mom bake brownies, and I ended up falling asleep. Since I can remember, Clinton was always willing to help anyone in need in any way he could. He was also named after my uncle who passed away when Clinton and I were a year old! Clinton, hopefully you meet Uncle Scott up in heaven and have lots of fun with him. Rest in peace Clinton Scott Meyer!*

“ I have SO MANY favorite memories of you, Clinton Scott! The last 36 hours have been spent reliving them over again in my mind. My heart is soo heavy and the tears continue to fall. I can not fully believe that you have left your earthly body and gone to be with our Lord. I take comfort in knowing you are with Him now. I take comfort in knowing that Grandpa Bert was there to meet you and that one day we will all be together again. I take comfort in knowing that you will no longer experience the pain you endured. I take comfort in the time you were given to us. Thanks be to God for giving us you for 21 years!

When reading the obituary posted by your parents, a memory came to mind that I feel compelled to share. One of the first dates that your Uncle Jarod and I went on was with you, Kolton, and Casidee. You were 6 years old. We took you to Celebration Station where we ate and played games for several hours. You were adorably cute and we had so much fun! Upon returning you and your siblings to your parents, your mom asked where your Aunt Lorie had taken you. Your reply was, "We went to HOOTERS!" (and giggled uncontrollably with Kolton). I guess out of the fun-filled day we had, the only thing that had truly made an impression on you was the big orange sign on the restaurant acrossed the street! It was from that day forward that I knew you would always appreciate a good looking girl :)

Dear Awesome God,

Thank you for giving us Clinton! Please help us in this time of loss and overwhelming grief. I turn my eyes to you and seek to find the strength to make it through the days ahead. My heart is crushed, but I know that you will not abandon me. Please wrap your arms around all of Clinton's family & friends, Lord. Help us through the pain. I know your works are for the ultimate good in all our lives and I trust your great love will never fail.

In Jesus' name,
Amen.
