In the short time I got to know Connie I was struck by his white tooth smile and his silver white hair which i was very envious of. I was also very impressed by his demeanor in that I personally never heard him make a derogatory comment about anyone and he always had a big white tooth smile when anyone kidded him about his affection for his gal Precious. Sorry Clara we both knew, insert smile. It is now irrevelant what happened in his earliar life but it is revelant what he became at the end of his days. Regardless of what anyone eles thinks I feel this and I hope you R.I.P. Ron
