“ God gave us a wonderful gift, Uncle Dan was so full of life and love for everyone he met but most of all to his wife, children and family. I have been blessed to not only have him as my uncle but also as my godfather. Heaven now has a spirited angle.

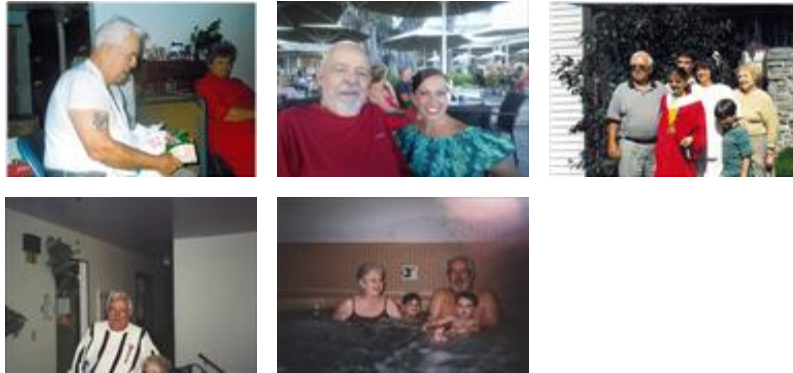

All my love,
Leslie

It is not a fishing boat, but it is as close as we could come. We never made that last fishing trip, but now you can fish whenever and wherever you want to and actually catch something. Will miss you buddy.

You know he is fishing somewhere. Mom probably sent him off to fish or play cards. You were a great friend to Dad and to our family. We have been blessed by the two of you. Love, Debbie
