“ So sorry to hear about loss of Darlene. I was the Als support group leader in Lafayette In. She came to the group once and I visited her once. We communicated a lot by texting. I have been gone for two weeks on vacation. I texted her when I got back but no response. I decided to look her up and saw obituary. So sorry for the loss. She was a wonderful lady. We shared a love for Christ and Christian music. You family in my thoughts and prayers. She was a very special person. I will miss our conversations. Cathy Yocum

“ *Darlene was such a delight. Her smile was infectious. I met her the first Sunday she visited Grace. She came over for lunch that day and became part of my life and so many others. She was part of my small group and was willing to become the facilitator when we moved away! She glowed and grew so much after her first missions trip. So much so that she went on many trips. What a blessing she was! I can only imagine what a great time she having in Heaven!*
