“ *Uncle Dave where do I begin? Wow what a man that will be missed by so many. He always brought so much joy to everyone he met. He gave my mother (Elizabeth Potts) a few extra years of life when she was so sick and for this I will be forever grateful. His Laugh will never be forgotten and his dance, lol, nothing can discribe it, you had to see it to enjoy it. Uncle Dave all your family is waiting for you with open arms in heaven, go be with them. Forever in my heart, your niece Linda Potts*

“ I have so many things to say about my Uncle Dave, it is hard to put into this limited space. He loved my mom. He showed a respect and honor for his sister that I could always see and feel through the years. When my mom was sick and needed a bone marrow transplant, Uncle Dave was her Donor. He gave of himself to give her life! He was always around when I was growing up. He stepped into to help my mom and us kids when my dad was away. I loved his laugh, when you heard it, you had to smile. He was a hard worker, he liked to have a few and he could dance like Elvis. :) Oh, how I will miss him! I love you forever Uncle Dave, you hold a special place in my heart!!!!
