“ I believe Debora worked with my Mom (Doris Dahn) at the J-Pulaski State Tree Nursery in the office. My brother Mark worked at the Nursery too. My Mom worked with her Mom and we got to know Debora, Shirley, and Otis at that time. We went to many an Artex and Tri-Chem Party with them. It seems like yesterday, but in actuality it has been way too long. I have since grown up, became a carpenter, and have lost my Mom will be 4 yrs ago. I still have some of the Artex paintings. Her Mom and Debora showed me the interior of my 1st Dome Home down by Rensselaer out by I-65 if I'm correct. My Mom enjoyed working with Debora and her Mom and I am proud to have known the family. So sorry for your loss, she was a very special person and well loved. Carla Dahn for the Dahn family and in honor of my Mom.
