“ To Dee's sons, Chris and David, I'm sure you have known for a very long time what an amazing woman your Mother was. I know she was so very proud of both of you. I pray that you both are able to feel your Mother's arms surround whenever you when you need her strength and love. She will never truly leave you.

“ To Dee's Parents, I am so very sorry you have to go through such loss. I cannot begin to imagine what you are feeling. I hope that the prayers and love so many people have for your daughter are able to be felt during this time. If not, we understand. Hopefully in the days, weeks or months to come you can look back and feel it then. You did an amazing job raising someone who touched so many. My prayers are with you.

“ What is life?
It is the flash of a firefly in the night.
It is the breath of a buffalo in the wintertime.
It is the little shadow which runs across
the grass and loses itself in the sunset.

Peace and white light to you, Dee. You will be missed!
