Little brother; you were taken from me during a time when we were really getting to know one another and really started to bond. I'm sorry we were not closer sooner. I hope you know, our last week together was our strongest bonding ever. I'm sorry this bull shit happened to you and I will continue to live on your dreams through music and help your boy in any way I can. God damn it Derek, I miss you and I love you my baby brother. Love Kenny! Tell dad I said hi.
