“ *Patrish and family...You are ALL in my prayers today, may the pictures and memories bring you a smile and warm remembering of times you shared together. I will always hear Don calling me "It's Judy by the tracks!" whenever I called your house (before cell phones!). I'm so sorry I could not be there today with you, but know you have a special place in my heart. I am keeping you in my prayers. Love, Judy "by the tracks"*
