“ When I was a kid I use to be at the Wood family everyday. Don would always be sitting in the same chair and he barely said a word. As the years went by I would stop in and he still remembered me. It was a blessing to know Don. You are now in God's hands and I will always remember you as you did me. Beth Kucinkas

“ Lillian & Family,  
We are saddened to hear of Dons passing.  
You know that our thoughts are with you. We  
have been through a lot together over the last  
40 years such as births, graduations,  
weddings, and sadly, even deaths. Sure wish we were able to be  
there now. Take care in knowing that Don will be deeply missed and  
that we will have many good memories to share together, like Dons  
grilled corn & great gardens. If he only knew what we did with the  
green beans & pea plants. Take care, we will see you soon.
