“ We deeply are saddened that Don had to go so soon. I know he is going to be greatly missed. He touched so many lives. If anyone knew him, I'm sure they felt the love as we did. He was like family. I only wish our circumstances would have permitted us to have more time together.  
He is truly in Gods hands.I hope someday we will meet again.  
You will all forever be in our heart's

“ Though I will never understand why you were taken from us so soon, I will always remember all that you have done for me, Grandpa. You were there for me every time I needed you and provided me with a good laugh every now and again. You always brightened my day every time I seen you. You may be gone, but never forgotten in our hearts and memories. I love you, Grandpa and always will.

“ Donnie was the first person that knew I would become a permanent part of this family. He was wonderful fired who always had a smile and a joke for me. He would give the shirt off of his back to help you, he would work on fixing something until it was done, but most of all had to be "right" or I'm not going to do it at all.

He always believed in me and loved me unconditionally. For that, God really did bless me with and wonderful Angel.

I feel like a special sparkle in my life has gone, but I know that he is with my other very Angels that watch over me: Aunt Pauline and Poppa Baer, Marie, Diane and Christine.

Blessings and Love to my Sister and her family ....they are loved and my love goes to them.###imported-begin##Cindi Neaves###imported-end##

“ *Words cannot express how caring Don(and Linda) was. As a teenager, Don was like a father-figure to me. He took me into his home when i was having family problems. All he asked of me was to continue my education and graduate. Don was always there for me and anybody that was a part of his life. That's the type of man he was. Unfortunately, i haven't had contact with Don for quite sometime. Don, even though i haven't had contact with you, i will never forget the good times and everything you've done for me. You will truly be missed...R.I.P.*

“ When a loved one dies, it causes so much sorrow. It is my hope as a volunteer in the community to bring a comforting thought to the family. I find these words in the Bible book of Job so soothing. It says at Job 14:14,15: "If an able-bodied man dies can he live again?.... You (God) will call and I myself (the deceased) shall answer you. For the works of your hands you will have a yearning." Yes, the Creator longs to bring back to life those who have died. What a wonderful promise and sure future for those asleep in death. We express our deepest sympathy to all the family. May you find peace at this time of loss.##imported-begin##Jackie##imported-end##
