“ Aunt Betty and family, I am so sorry for not just your loss but all our loss. Uncle Don and Aunt Betty are two of the friendliest and warmest couple any one could hope to meet. Uncle Don was and still is; as he continues to live in our hearts and memories, a wonderful man. I have many childhood memories of visiting his house and always was made to feel as welcome as though I lived there and was part of the family. I was fortunate enough to visit with Uncle Don and Aunt Betty a few months back, Both were as I remembered them from years back. My prayers as well as my sadness are with the whole family. I love and miss all of you and wish I could make it better.
