“ Alan, Nancy and Janet - I was so sorry to just learn about your mom's passing. We were neighbors in Rensselaer many years ago, and fellow St. Luke members. I fondly remember being at your house, frequently - and often for a perm, and enjoying her cookies. Several years ago, a pleasant surprise occurred while visiting Rensselaer, when I saw your mom at a local drug store. Since my mom lived only several blocks away, was able to connect them for a visit which they both enjoyed greatly. I found her to be exactly as I remembered - a friendly, warm and lovely person - as was your dad. My belated condolences on your great loss. Deanna (Dede Gull) Fidrych

“ Donna was a great Girl Scout leader. We had fun visiting her in Minnesota after she moved. What a train ride and an adventure for us girls. Thanks for all you did to shape us young girls.
