“ Aunt Edie you will be missed. You're laugh and smile was contagious. You were such a tomboy when you were growing up and I wanted to be just like you. You were the best Mom and grandma and I learned from you that spoiling your Grandkids was a good thing.

I'm so glad we got to spend time together. Two weeks of laughing and remembering. My Mom loved you so much and when you two were together you could see the love between you.

You are together again with your loved ones. RIP
