“ *I love you forever. I will never forget your sense of humor, your smile, your love. You were one of the first to accept me into the family and you'll never know how much I appreciated that. You accepted everyone and as they were. Unconditional love always. I love knowing that Claudia and Sheryl were standing front and center to receive you into heaven with their hugs and kisses. I miss you already. I love you forever.*

I'm so sorry. What a terrible loss. Her family was everything to her. She always made sure that her swimming pool was "just right" for all those kids, grand-kids & great grand-kids.
