“ Miss Elise, there are no words to describe how much I love you and miss you. You forever changed my life. You let me in as a second mom and I got to feel a touch of the joy that parents get to experience every day. I will forever wish for more time with you and look forward to the day when I can hug you again. No one hugs like you my beautiful young lady. I'm sure that Khaleesi picked you up at Heaven's gate and that you haven't been off of her since. I love you to the moon and back.

“ My family is holding your family and friends up in prayer for difficult days ahead. Words cannot express my heartfelt grief! I only met Elise once... but after our short time together, I walked away knowing beyond a shadow of a doubt that she was someone incredible! She smiled and laughed the whole time we were together. :) She has forever left a piece of her beauty on this earth.

“ Oh Elise, I could sit here and write a lot of memories we shared together like throwing food at eachother at the lunch table. Or the time we met up in the halls and talked about how we hated being girls. I could go to you to tell you anything and everything.. i miss you so much . I miss all the funny and crazy times.. I wish I would of stayed while you were still there.. I miss the crap out of you. I wish I could make it to your visitation and funeral but I have no way. I'm thinking of you always baby girl.. I wish it was all a terrible nightmare we could wake up from but unfortunatly I woke up and it was still true. Fly high in the sky beautiful.

“ Sweet Elise a girl who I worked with and regretted letting go. She was an amazing friend who always made me laugh and smile. She knew just what to say to encourage some one and she would do it with funny faces and her adorable laugh. One day I remember I thought she was mad at me...so I tried to hard to make her laugh or smile and she just sighed and gave me this weak smile and said it's not you...I should of known. I should of stayed in touch...Darling you were precious beyond belief you were too sweet the world didn't know what to do with you... rest in piece and save me a spot in heaven? I love you. Prayers go out to friends and family.
